To prepare students for managerial and leadership roles in an increasingly data-driven and AI-enabled business world, IIT Mandi invited applications for 5-year Integrated MBA Program at IIT Mandi. **The application deadline for its Five-Year have been extended till 3<sup>rd</sup> June 2025.**

This unique program, offered by the School of Management at IIT Mandi, offers two degrees; BBA in Analytics (Honors) and MBA in Data Science and Artificial Intelligence (DS&AI), enabling students to begin their management education journey right after the 12<sup>th</sup> grade.

The curriculum blends foundational business courses with advanced analytics and Artificial Intelligence. It emphasizes real-world application through a semester-long internship, while also offering flexibility for entrepreneurial pursuits via access to the institute's incubation centre and a one-year sabbatical option for pursuing serious entrepreneurial ventures. Graduates of this program will emerge as ethical, socially responsible, and data-driven business decision makers.

### **Eligibility Criteria:**

- JEE Mains Score: Must have obtained the minimum JEE Mains NTA score (Paper 1) required to be qualified to write JEE (Advanced) 2025.

- The Final NTA score for JEE (Mains) 2025 Paper-1 of the applicant must be equal to or higher than the “Category-wise Cut-off NTA Score for writing JEE (Advance) 2025 for Paper-1 (B.E/B.Tech.)” mentioned in the JEE (Mains) 2025 Paper-1 Scorecard.
- Academic Background: Must have compulsorily studied Mathematics and English at the 12th (or equivalent) level.
- Academic Performance: Must have passed 12th (or equivalent) with a minimum of 75% (65% for SC/ST/PwD).

### **Admissions Process:**

Applicants will be shortlisted based on their final NTA scores obtained in the JEE (Mains) Examination (Paper-1) 2025. A select number of shortlisted applicants will be invited for a personal interview. The final selection will be based on a composite score computed by giving 70% weightage to the final NTA score in the JEE (Mains) Examination (Paper-1) 2025 and a 30% weightage to the performance in the personal interview.

The intake for the academic year 2025-26 has increased to 72 that contains 20 percent female only including supernumerary seats.

The IMBA programme of IIT Mandi offers a unique opportunity to pursue a master's degree in management to students immediately after their 12th grade. Further, this program will provide a strong foundation for a successful career in this dynamic business world.
